At Our Last Meeting

**Wednesday
March 4, 2009**

PAT offers you:

- Free Enrollment
- Visits in YOUR home by a Certified Parent Educator who can explore your questions and concerns then give you tips on ways you can promote your child's learning.
- Group meeting opportunities with other parents to share your parenting experiences.
- Ideas and information on using play to teach your child. Parent Educators can also help you develop an effective discipline style that works for your family.
- Regular Checks by our staff to screen your child's hearing, vision, and development.

Your baby begins learning at birth. Parents As Teachers (PAT) can support you in giving your baby the best possible start in life. PAT is a free and voluntary early learning program for expectant parents and parents with children birth to five years old.

How do you benefit from Parents As Teachers? As a parent, you are your child's first and most influential teacher. Parents As Teachers can help you build a strong foundation for your child's future success in school.

Martha Brown **Parents as Teachers Program (PAT)**

Martha demonstrated a typical lesson plan for a 3 year old using items from around your house such as a plastic plate, sock and dry erase marker. Children can use the plate as a dry erase board and write their letters or numbers.

PAT is primarily funded thru grants from Smart Start, Catawba County School System and Civic Groups.

Enroll now in Parents As Teachers!
