## ***At Our Last Meeting***

**Wednesday—December 17, 2009 Was a CLUB ASSEMBLY.**

### ***We Care About Kids!***

This fall, we had a presentation by Nicole Greer (a fellow Rotarian from another Club) encouraging us to "Have a Plan". Therefore, before the holidays, we had a terrific Club Assembly meeting attended by all of our Members (except Dan Totillo!) to discuss the direction of our Rotary Club and to create a simple "Mission Statement" that could be summarized in a few words or less....And that goal was reached. The Club has decided that the causes we collectively want to support are best summarized by the saying "We Care About Kids!". The Club discussed the importance of supporting local causes that benefit kids here in our growing community of Sherrills Ford-Terrell as neighboring areas have strong Rotary involvement and participation by the Rotary Clubs of those communities. We have also decided to continue our partnership with the Newton-Conover Rotary Club on their International Project in Honduras.
