

At Our Last Meeting

**Wednesday,
October 22nd:**

Last week our speaker was Preston Springer, Area Director of Young Life in our area. Preston was a teacher in Iredell County before joining YoungLife full time.

Preston talked about the challenges and rewards of going to High Schools to mix with students and try to interact and “befriend” the students, always with the goal of finding the students who are in the most need of “unconditional” concern and friendship. If you are interested in learning more, or helping volunteer for this extraordinary program, our Club Member Tom Johnston is a valuable resource, or visit their website at: www.younglife.org

News & Upcoming Events

Please see below for an example of the Reindeer Romp information we are trying to get out to the general public. Look for a version of this information in November’s Claremount Courier and hopefully an edition of the Hickory Record in the near future. Please get with Chuck Connor if you’d like to help plan this event!
