

## At Our Last Meeting

### Wednesday, October 29th:

Last week, our speaker was Dr. Amanda Barker-Assell, an Optometric Physician and fellow Rotarian at the Denver-Lake Norman Club, who presented "Vision Disorders and Eye Health."

The presentation was a very interesting program that centered around various eye diseases including everything from cancer to torn retinas to separated corneas among others and the different types of repairs that can be done to heal or correct the effects caused by those various diseases, including information about lasik procedures. Dr. Barker-Assell also showed a complete graphical dissection of the eye and its anatomy.

She and her husband, Dr. Michael Assell, practice at Advanced Family Eye Care in Denver. You can visit them online at:

## Think About Sponsors & Participating....

We have two events coming up that need the help of every single Member in our Club.

- Our first Reindeer Romp at Camp Dogwood will be Saturday December 13th.
- Our second Annual Bass Fishing Tournament will be Saturday, April 19th (2009).

Both of our events require your help. We need both volunteers to help manage these activities, as well as (just as importantly) we must begin talking to our valued sponsors for either or both events.

Please consider how you can help!

## Today's Agenda

November 05, 2008
