At Our Last Meeting

Wednesday—December 3, 2008 The speaker at our last meeting (before our Holiday Dinner) was Pat Hollands, who is the chairperson of the Committee that has undertaken the task of trying to expand the Sherrills Ford Library. Pat presented (2) alternatives they are proposing, one that includes a two-story option that has meetings rooms and a conference center so that the library can be used for multiple purposes. The current library is very small, and is currently the most used library in the Catawba County library system.
